Dear Dr. Baltazzi:

I am going over the membership of the NFCAA.
I notice that you are not a member of the Association.

Since you are one of the well recognized fencing
masters in the United States, I was wondering if you
are interested in joining our organization.

If you do, please let me know and I will send
you application forms.

Yours truly,

H. M. Castello

THIS IS AIKIDO, described by aficionados as "a flowing,
beautiful thing," which is a faster, more graceful form of jujitsu.
It requires a minimum of effort to turn an opponent's strength
against him, by following his "force flow," as Dr. Evan Baltazzi,
Brookfield, researches, creates and teaches ranked aikido teacher in
the Midwest, is doing in Duane Marquardt of La Grange.
